

CEO'S REPORT

Warmest greetings to you all this chilly July.

Well, what do you know... we're crazy-busy again! It's almost AFL National Inclusion Carnival time and I'd like to wish all our Tasmanian players well, AND thank a small, dedicated group who have been busy fundraising around the state, filling buckets with coins at NTFA and AFL matches. We really do have the best volunteers around. They make so much possible!

Our members have been busy with sport AND socialising (a very healthy combination). Saskia and a crew of 24 had a wonderful Dinner Club date at the Mowbray Hotel— it was a lovely excuse to get out with friends on a cold winter's night – photos inside.

At the office we're well into the swing of Iceberg Swim and gala preparations (and all the while, waiting for the next round of NDIS ILC grants to open). Half of our 007 Bond Ball tickets have sold already but we're desperately in need of more prizes and auction items. If you can help with a donation, we'd be so grateful 😊.

Now, you've probably heard that we have just launched a new five year strategic plan, to essentially give New Horizons Tas a 'road map' to ensure we can (a) achieve the best possible outcomes through sport and recreation for as many Tasmanians with disability as possible and (b) work with the wider community on becoming as inclusive as possible. And- some of you might be wondering why we have been working on this at a time of such financial uncertainty for the organisation. The reason boils down to this - we work in the 'for-change' sector - and we all know that the change New Horizons Tas creates and promotes is essential. So, we're moving towards ambitious, important goals with purpose and clarity.

Thank you so much for coming along for the ride!

Belinda Kitto
CEO

RAISING VITAL FUNDS FOR

North West News with Lyndall Hall

Our Taekwondo sessions are drawing to close for the term this week. Term 3 will commence on the 24th July at 5 pm at Wynyard High school for basketball - \$5 per person or \$7 per family. We look forward to our new NHT gear arriving ready for the new term!

North East News with Vicki Forsyth

Our trip to Launceston's Airtime was entertaining but freezing cold! The trampolines and slides indoors at the venue were our main interest and we only posed briefly outside for the photo!

Our fine and gross motor weekly skills are being put into practice with the junior athletes doing ball skills and passing, and the more senior athletes playing a game with involving the same skills.

Last week we incorporated netball along with basketball as a challenge on two different types of movement and skill.

This week is our last session before the school holidays. We recommence on the 22nd of July at the stadium.

Southern News – with Stuart Schultz

May and June continued our progress in the South with new NHT volunteers coming on board to support a number of our programs. Welcome to Priyanka, Tom and Lucy who have been fantastic support engaging with our participants so far and we look forward to their continual support!

During late May and June, we welcomed Olivia from Tennis Tasmania who facilitated a number of engaging sessions of games and skill development. We loved these sessions and appreciate her support and the continued support of Tennis Tasmania to our organisation. During this period, we also welcomed back Joel from AFL 9's/Glenorchy DFC and John from Cricket Tasmania who also ran some engaging sessions.

We were lucky to be able to provide a number of members and supporters with free tickets to the recent North Melbourne v Giants AFL match at Blundstone Arena - some earned their keep shaking buckets to raise some more vital funds for our recently selected state AFL Inclusion side.

Check the schedule for our upcoming sessions in the South, and as always, if you know anyone who would like to be a part of our Southern programs, please be in touch with me at stuart@newhorizonstas.org.au

Dingo interviews Australian Cricket Captain

Last month our very own Alan ‘Dingo’ Dengate was guest at the Taverners Tasmania Tim Paine “Leaving for London” Farewell event in the Chairman’s Lounge at Blundstone Arena. This very exclusive, though inclusive event, witnessed our Australian Cricket Captain Tim Paine interviewed by Brent Costello and Alan ‘Dingo’ Dengate who travelled with CEO Belinda to Hobart for the occasion. The appreciative audience enjoyed an insightful conversation about the inner workings of the team.

Special guest interviewer “Dingo”, in his unique and confident style, blended the conversation with inclusive cricket values as Captain of the Tasmanian ID Inclusive Cricket Team, Captain to Captain – a true exchange and kinship between athletes of a unique nature in the cricket landscape.

WE so proud of you Dingo!

Our June Dinner Club was held at the Mowbray Hotel on Thursday 20th June. It was great to see 24 people come together for dinner. Check out the happy faces!

Our next Dinner Club is set for Wednesday 7th August at 6 pm at Olive's, Newstead Hotel, 160 Elphin Road – parking and disability access through the rear of the building. A slightly earlier timeslot – come along and brag about how many laps you did at the Iceberg Swim!

Thanks Monaro & GM Club Tasmania

Huge thanks to the wonderful Monaro and GM Club of Tasmania, who last month surprised us with a donation of TWO THOUSAND DOLLARS, raised at the Monaro Nationals 2018!

Wow- what a contribution- and how cool that it was raised through a collective passion for an Australian icon.

Ultimate Frisbee – All Welcome

Every Thursday 7 pm – 9 pm at the Uni gym a group of dedicated athletes play Ultimate Frisbee indoor rules.
