

AUGUST 2020

NEWSLETTER

Hi Crew,

I know that I'm not the only one who's amazed that it's August already!

As I type, snow covers Launceston as far as the eye can see. Yet another memory of 2020 that will live on for decades.

At New Horizons we're so thrilled to be back in business. The majority of our programs have re-started after our extended Covid break, with everyone relishing in being active and together again.

Along with the entire New Horizons team, I'd like to say a big thank you to members and coaches for embracing our 'new normal'. Everyone has shown patience and understanding in adapting to our new Covid-safe procedures. We all appreciate how privileged we are in Tasmania to be able to participate again, and the New Horizons community are playing our part to ensure that we don't jeopardise that.

Have a wonderful last month of winter!

Edwina

Thank you to Lyndall and the North West members for inviting me to join them at their first 'back to active' dinner at Somerset last month. It was a pleasure to meet you and hear what you have been doing.

SOUTHERN REPORT

After 10 online Zoom sessions with some amazing contributions from all attendees across the state, we have been given the green light to resume!! So, we are back out into the community and re-engaging with our members after the hiatus! It is fantastic that our regular Wednesday program is back in full swing (with some COVID-19 adaptations) and the vibe has been really good so far – some don't seem like they have missed a beat!

We are close to announcing a number of new programs in the South including a stand-alone basketball program, Southern footy training, a daytime multi-sport program and lawn bowls. Stay tuned to our social media for when these programs will begin!

Happy Retirement!

It would be hard to overstate just how much support Kerry Finch and family have given New Horizons during his almost two decades as the Rosevears MLC.

Just for starters, Kerry has been an inimitable Host and MC, a respected and appreciated adviser, and a most incredible advocate for our club and the importance of inclusion. A trusted and loved friend to many of us with that huge heart of his, we'd like to wish Kerry a very happy and well-deserved retirement.

We also wish to send huge thanks and best wishes to Susie Somann-Crawford, who works with Kerry as an Electorate Officer. We know Kerry and Susie's families will love seeing more of them, and we can't wait to see them out and about, relaxing too 😊.
