

Hi Team,

I hope you've all had a great October 😊

We've had a wonderful month with new season's sports including cricket, tennis and basketball re-starting, while also enjoying an extended AFL season in the south. We also farewell some favourite programs for 2020, like our woodwork group at Launceston Grammar.

Dinner Club (socially distanced of-course) in Launceston continues to be hugely popular, and it has been wonderful to hear of our Hobart and Wynyard group also enjoying lovely get-togethers, supporting the local hospitality industry.

Speaking of the North-West, at the end of this year New Horizons will be farewelling the leader of our Wynyard group, Lyndall Hall. Lyndall (a volunteer, who actually established NHT North-West 5 years ago) has been a passionate advocate for inclusion, making a huge difference in so many lives. We have been incredibly blessed to have Lyndall as a part of our New Horizons family and we wish her a fabulous retirement! We have every intention of continuing our work in the North West and are busy looking at how we make this happen.

Key to our success in continuing all our programs, with the Tasmanian borders opening, will be our commitment to continue to strictly following our Covid Plan. Again, I wish to send heart-felt thanks to all our volunteers, coaches and members who have embedded all our covid-safe processes without question. Now more than ever, it is vital that we are follow best-practice, so keep up the great work!

Normally at this time of the year, we're confirming a Launceston Christmas party date, so I'd like to apologise that we are not quite there yet (due to covid). Thank you all so much for your patience— our plans will look a little different this year and will be announced shortly.

Now we look forward to a busy month ahead, starting off with our AGM. We're also excited to be welcoming Belinda back from her maternity leave soon, too 😊

Wishing you all wonderful November!

Edwina

## Some BIG Thankyou's

A HUGE THANK YOU to Wayne & Lyn Manion for their donation of \$5000 and to Fit N Kicking's Mount Barrow Challenge donation of over \$3500!
