NEWSLETTER MARCH 2021

Hi team!

Apologies that your newsletter is a little late this month.

February was very busy for us at the office, getting back into the swing of all of our programs.

It has also been a big month of bookkeeping (thanks to all who have paid their membership fees so far) and event planning!

Our 2020 Awards Night was recently held at The Boathouse, and as usual, was a wonderful evening. We were honoured to have a number of special guests in attendance to help celebrate our member's achievements last year. Congratulations to all Award winners, and thanks so much to everyone who came along and joined us.

Now, we have the 2021 Western Tiers Cycle Challenge to look forward to on Sunday the 21st of March. This is one of our most-loved fundraiser's, and we're particularly excited after having to cancel the event last year. We encourage everyone who is interested to please get involved in this terrific community day. We are still seeking volunteers to help us on the Sunday at Prospect Park and 'on the road', so please do reach out if you're keen.

Our new term payment system for certain programs has been embraced, and the feedback we have so far is that members and families are delighted to have this as an option. If you still have any questions at all on how it works, you're very welcome to call and speak with us. And just to re-iterate, that the cost of any sessions which are cancelled by NHT will always be credited to each participant's account.

Wishing you all a wonderful first month of Autumn!

Belinda

Awards Night

Our Awards Night for 2020 was a fantastic evening of celebration. A big thanks to the team at The Boathouse for their generosity, to DJ Dan for getting us dancing again, and of course to our members and special guests who attended!

The night was slightly different than other years, with fewer sporting awards presented (thanks to Covid shut-downs)- BUT it was no less special. Last year was filled with many special moments, of different challenges, of individuals striving to reach new goals- and supporting others too.

We're delighted to announce the winners of the following major prizes:

Robyn Hanson
Award:
Scott Crowden

Volunteer of the
Year Award:
Brian Abey

Colby Withers

Ray Bailey
Award:
Jacquie Spencer

- The office is notified that a participant is sick (notice can be given on the day, up until two hours before the program starts).
- The office is notified 1 week prior to a participant going on holiday/appointment.

Reminder!

Term 1 activities conclude on Thursday 1 April and recommence the week of Monday 26 April.
