Hi team and welcome to NHT term 2 ☺

Are you wearing your woollies yet? You've got to love Tassie-life, where it can be 26 degrees one week and nine degrees the next! In any case, it now feels like winter sport season.

AFL is back in a big way, with programs running across the state. Hobart has a raft of new sports starting up, and has hosted its first Dinner Club night — we are just so excited about this progress. And- we hope to have good news to announce in the North-West very soon. Stay tuned...

Speaking of programs, New Horizons exists to offer the sport, rec and social opportunities that YOU love. To us, its all about our members getting active, learning new skills (if that's what you're keen to do) and having fun with friends. Your voice is SO important, and I encourage anyone who hasn't already filled out our survey, to put five minutes aside and complete it.

Also, our Members Voice meetings have been taking place regularly — they're now on Zoom, to enable members from right across the state to join in. Please call the office any time for advice on how to join these meetings via your phone. Your ideas and feedback ensure that New Horizons is the Club you want it to be, so please don't be shy!

I'm signing off this month with big Congratulations to our talented athletes who participated in the recent Boccia State Games. Also, thanks to Saskia Ascui and Ro Blaney for sharing their time and expertise over the event. I loved being one of the spectators, seeing the incredible skill and passion of these players and how much they all support each other.

Wishing you a Merry May!

Belinda.

## Check In Tas App

From 1 May 2021 Tasmanians and visitors will be required to use the Check In Tas app when they visit a range of business, organisations and events, including New Horizons. This will help to keep ourselves, our loved ones and our community safe.

If you do not have a smartphone or are unable to use one, others in your group can check in for you on their device or staff at NHT will be able to record your contact information on their device or with pen and paper.

The free Check In Tas app is available for download from the Google Play Store and Apple App Store.

## Condolences

Sadly, we acknowledge the passing of Dalene Francis, a support worker and friend to many at NHT. Her presence at Craft each week will be sorely missed. Our thoughts are with Dalene's family and friends.

Our thoughts are also with Mike and Ryan Stott on the recent passing of Alison after a long illness.

## South Recap

Exciting times – term 2 is upon us! We are looking forward to seeing everyone back in what will be the most jammed packed program calendar to date in the South.

We have now confirmed our new Tennis program beginning on the 3rd May – it will hopefully be the start of a great partnership with the Domain Tennis Centre and strengthen our work with Tennis Tasmania across the state.

We are still on the hunt for a number of new Southern-based volunteers! If you, a family member, friend or someone you know may be interested, get them to contact Stu.

We are also excited to launch our inaugural Southern Dinner Club on Wednesday 21st April at Hotel SOHO with 26 members/family! Off this success, we will schedule these every 6-8 weeks with a new venue each time.

South activities will commence from the week of Monday 26 April – the schedule is below. Enrol to a program today using the Term 2 enrolment form available on request!
