Team, we did it! 😊

Many of you already know that few weeks ago we received the fantastic news that New Horizons have finally been successful in our application for NDIS ILC funding.

On behalf of the New Horizons Board and staff, I want to say thanks so much to you all. To every single member, parent, volunteer, supporter and business partner who has helped us in practical ways, as well as providing so much moral support during the last three years — you are our game-changers.

For the next twelve months we have financial backing to run our existing programs, as well as to expand our services regionally. We are particularly excited about getting back to business (in fact in a much bigger way) on the North-West Coast. We were so lucky to have the fabulous Lyndall, who built and lead our Wynyard group for four years — and we are now ready and able to build on her fantastic work and community relationships.

You might be thinking that now we have secured a chunk of funding, that we can take a rest with our fundraising? I wish that were the case, but actually, it's the opposite. During our time of particular financial stress in the last 9 months, we were forced to make a dent in our critical savings — and in a year's time we will again be without a core funding commitment. So, it's vital that New Horizons continue with fundraising activities — which means we have some fabulous events coming up!

I'm going to give you a clue about the theme of our Gala. It's very SWEET. And that's the clue 😊. Also, if you're keen to lock in a cosy night of fine dining with friends this winter in Launceston, we may have just the opportunity you're looking for!

Now, as I type this, our Melbourne friends are once again in lock-down. If you HAVEN'T booked in for, or had your first Covid vaccination, and are eligible, please follow our state and national health department advice and make your move. If you need help accessing the booking service, our office would be very happy to help you with advice. Have a fabulous first month of winter!
