FROM OUR CEO

“Enjoy the game and chase your dreams — dreams do come true!” – Sachin Tendulkar.

Yes, these lovely words came from one of the world’s cricketing greats, but I think they relate right across sport and recreation. It’s such a joy to try something new, find that you enjoy it, and then set your own personal goals.

We saw enjoyment and dream-chasing in action at our **Carol Tanner Memorial Swimming** Carnival last weekend at Scottsdale. It was a wonderful day and I’d like to congratulate all participants, especially those who are new to swimming :)

It’s our annual **Western Tiers Cycle Challenge** this month, and as well as raising such important funds for NHT, it’s always such an enjoyable day, with people riding for the love of it, as well as the personal challenge involved. If you’re not keen on riding, perhaps you’d consider supporting us as a volunteer on the day this year?

Our cricketers will be hitting the hallowed turf of Blundstone Arena on the March long weekend, for the **Cricket Tas state-wide inclusion match**. Again, we have some players quite new to the sport who will be playing, and I’d like to send my best wishes to everyone as they reach for the stars!

Some of these new players are from the **North- West coast**, and wow, it is so incredible to see our dreams in that region coming true, with new programs and participants galore :)

One of the reasons New Horizons is able to see the realisation of these long-held plans is because of the **strength of our Board in recent years**. They have been an incredible group to work with and be led by, and after farewelling Leanne Arnott, Andrew McCarthy and Lorna Wilson at the end of 2021, we now farewell Phil Moir and Alan ‘Dingo’ Dengate. Thank you so much from ALL of the NHT community to this extraordinary group. They have shared commitment, passion and expertise with us, and will be very missed. We have no doubt they will remain close in the wings, supporting our members and organisation for a long time to come.

Have a wonderful March!
Belinda

SOUTH NEWS

We are back! After what seemed like a very long break, things are back in full swing with a number of our programs for 2022. It was great to see everyone at our first Dinner Club of the year at the Black Buffalo. All attendees had the opportunity to meet Cameron which was great as well as seeing 'boss' Belinda who turned up to say G'day! In a series of funny moments, Callum (who we didn't realise was also celebrating his 23rd birthday – queue arranging a last minute cake and sparkles!) when meeting Belinda for the first time and finding out she was the CEO, gave an almighty stand and salute! It has become the new way of greeting Belinda from now on (which may or may not catch on elsewhere!).

Preparations for the state Inclusion cricket match at Blundstone Arena are well underway and we are looking forward to a great day. There are still a couple of spots up for grabs in the Southern team so if anyone is keen on being selected, our final session before the match will take place on Monday 7th March at 4:00pm at the TCA Indoor Centre at North Hobart Cricket Club.

We are also excited to get a new Boccia program going down here in partnership with ParaQuad – stay tuned to social media for more information on that program. We are also about to advertise for some new volunteers so stay tuned and refer to anyone who you think might be interested!

Have a great month NHT team!
